## 75 ST. STEPHENS

**75 ST. STEPHENS GREEN**

Number 75 St. Stephens Green is the latest landmark building to be developed by Shelbourne Developments. Formerly the offices of the Department of Justice, the building is seven storeys high with a basement car park and has an overall floor space of 9,300 sq.m. Update Technology commenced work on site in September 2005 and completed in May 2006.
