

SQUARE

BISHOPS

BISHOPS SQUARE

Bishops Square, located adjacent to St. Stephens Green is a dual aspect development with entrances on Kevin Street and Bishop Street. The building is six storeys high and has an overall floor area of 18,000 sq.m.

Bishops Square was designed for use on either a single or multi-tenant basis, therefore the organisation of the phased hand-over required detailed planning and co-ordination to allow for a floor by floor occupation of the building.

Client: Bernard McNamara & Jerry O'Reilly

Architect: Ashlin Coleman Heelan Architects

Main Contractor: Michael McNamara & Co

Consultant: Arup Consulting Engineers

Construction Period: 10 Months
