

THE ILAC

ILAC CENTRE

CENTRE

The Ilac Centre, located on Henry Street is one of Ireland's first large shopping centres. Originally built in the 1980's, the centre is undergoing its first refurbishment.

The Ilac Centre houses a wide variety of retail and food outlets, which will continue trading throughout the refurbishment; therefore as part of the contract Update Technology have been given the task of keeping disturbances to traders to a minimum whilst work continues.

Construction began in January 2005 and is scheduled for completion in December 2006. Update Technology are responsible for the mechanical, electrical and sprinkler installations.
