THE HILTON

THE HILTON HOTEL, LIMERICK

Developed by Lalco Developments and operated by Hilton International, the Hilton will be Limerick's first international standard hotel.

The seven storey, 184 bedroom hotel is being built on an 11,000 sq.m. site. The 7th floor of the hotel will be dedicated to conference and meeting facilities and will boast state of the art equipment throughout. The hotel will also include a large 130 seat restaurant and bar, a health club with a 20m pool, a gym and a health and beauty spa.

The hotel is part of a larger development which will include 137 deluxe apartments and a 8,000 sq.m. underground car park which will span the hotel and apartment complex.
