

DUNDRUM

RIVERSDALE

RIVERSDALE

Located at the southern end of Dundrum village, directly opposite the new Dundrum Shopping Centre, Riversdale is an ideally situated mixed use commercial, residential and retail development.

Developed by Gannon Homes and built by Pierse Contracting, this residential development consists of 400 apartments built in eleven blocks, comprising one, two, and three bed apartments.

The commercial development comprises three office blocks and a Luas station with a 500 space underground park & ride facility totalling 15,000 sq.m.

The development also houses a medical centre, four office/shop units and a restaurant.
